Dear Mr. Malherbe,

RE: CONCERN RELATING TO REMOVAL OF LISTING OF OCCUPATIONAL HEALTH NURSING QUALIFICATIONS

We refer to the above and more specifically to your letter dated 23 February 2017.

We take pleasure in herewith informing you that the full Council of the South African Nursing Council (hereinafter SANC) has resolved that short courses which were regulated and accredited by the SANC and obtained prior to 2007 must be recognized by the SANC and listed on the Annual Practicing Certificates of the respective Nurses.

Kindly further take note that the SANC has already initiated the process to comply with the resolution of the full Council.

We trust that you find this in order and that you will convey the successful outcome to the appeal to your client.
