

Job Advertisement: Occupational Health Nurse – Mining Clinic

Location: KwaZulu-Natal, South Africa **Closing Date:** 14 March 2026

About the Role We are seeking a dedicated and experienced **Occupational Health Nurse** to join our mining clinic team. The successful candidate will play a vital role in promoting workplace health, ensuring compliance with occupational health legislation, and supporting the wellbeing of employees in a high-risk mining environment.

Key Responsibilities

- Conduct medical surveillance and fitness-to-work assessments.
- Manage workplace injuries and coordinate rehabilitation/return-to-work programs.
- Provide health education and training on occupational hazards, ergonomics, and wellness.
- Ensure compliance with the Occupational Health and Safety Act and related legislation.
- Collaborate with management to implement workplace health and wellness programs.
- Maintain accurate health records and prepare reports for regulatory compliance.

Minimum Requirements

- Registered Nurse (RN) with valid SANC registration.
- Diploma/Certificate in Occupational Health Nursing.
- At least 3 years' experience in occupational health, preferably in mining or heavy industry.
- Knowledge of South African occupational health legislation and compensation processes.
- Strong communication, organizational, and problem-solving skills.

Preferred Attributes

- Experience in emergency care within industrial settings.
- Ability to work independently and as part of a multidisciplinary team.
- Commitment to employee wellbeing and workplace safety.

Application Process Interested candidates willing to relocate to the South Coast KZN should submit a detailed CV and certified copies of qualifications to **ngokuphelelecare@gmail.com**.

Closing Date: 14 March 2026 Only shortlisted candidates will be contacted.
