

Job Vacancy: Occupational Nurse
Company: Geozone Environmental
Location: Northriding

Geozone Environmental is seeking a dedicated and experienced Occupational Nurse to operate in our occupational clinic. The successful candidate will be responsible for conducting comprehensive employee health screenings to ensure workplace safety and compliance with health standards.

Key Responsibilities:

- Perform full employee health screenings, including:
 - Audiometry (Hearing tests)
 - Vision screenings
 - Drug and alcohol testing
 - Spirometry (Lung function testing)
 - Blood pressure and general health assessments
- Provide health education and preventive care recommendations.
- Maintain accurate and confidential medical records.
- Assist in workplace health and wellness programs.
- Ensure compliance with occupational health and safety regulations.

Requirements:

- Registered Nurse with a valid license.
- Experience in occupational health or a related field.
- Certification in audiometry and spirometry (preferred but not mandatory).
- Strong interpersonal and communication skills.
- **Open to retired nurses who still wish to contribute their expertise.**

If you are passionate about workplace health and safety and want to be part of a dedicated team, we would love to hear from you!

To Apply: Please send your CV and a brief cover letter to sales1@geoenv.co.za with the subject line "Application – Occupational Nurse."

Closing Date: 13 May 2025
