IMPORTANT NATIONAL CONFERENCE AND AGM ANNOUNCEMENT

SASOHN Office Bearers and Executive team has considered the global evolving public health situation, and a firm decision was taken to postpone the 2020 National Conference and AGM, November 04-06 at Zimbali Coastal Resort, Durban.

Our primary concern is not only for the safety and well-being of our members, attendees and Exhibitors, but also for the health and safety of the employees and families you care for in your facilities. SASOHN has encouraged virtual regional meetings and ensured that all webinars and online training that is beneficial to its members is circulated timeously. SASOHN also appreciates each and every Occupational Health Nurse Practitioner that is assisting the country in this time of the pandemic. Our dedicated and loyal exhibitors are encouraged to send through web links that will be on the SASOHN website for your perusal during the month of November 2020. Kindly support them during this unprecedented times in our country's history. We must embrace innovation, and change our mind-sets.

We appreciate you understanding that this situation is one that is beyond everyone's control. We look forward to welcoming you to next year's National Conference and AGM, 03-05 November, 2021 at Zimbali Coastal Resort, Durban.
