SOUTH AFRICAN SOCIETY OF  
OCCUPATIONAL HEALTH  
NURSING PRACTITIONERS  
Registered Public Benefit Organisation (Reg no 930024476)

## **Dr. Daniel Fiandeiro**

Dr Daniel Fiandeiro is an Emergency Medicine Specialist.

He completed his specialty in 2013 and has worked in private, state and international hospitals since then.

Dr Fiandeiro is passionate about improving Emergency Care and has developed training programs for Nurses and Doctors, and is currently developing a training program for Paramedics. Dr Fiandeiro is also the CEO of a Med. Tech. Company providing digital solutions for Hospitals in Hillton, and his practice is currently based at Mediclinic in Pietermaritzburg.

## **Dr. Alastair Bull**

Dr Alastair Bull, Family Physician in solo practice in Howick- a geriatrician who still enjoys doing house calls. I also do a clinic at Dunlop, a clinic at Sunfield home and regular casualty sessions at Lenmed Howick Private hospital. My first career was as a rural doctor at St Apollinaris hospital 1995-2006.

## **Sr. Robyn De Wet**

Robyn De Wet Qualified as RN at Stellenbosch University 1994. Due to her passion in Midwifery, she worked in rural areas as a midwife in Cape Town and in the Cape Flats MOU's under Tygerberg hospital, then Karl Bremmer and Durbanville Private hospital. When she and her husband moved to Barberton, she continued in the midwifery dept at Barberton Hospital. Her career changed as she began to pursue qualifications in Primary and Occupational health, and has worked in Occupational health since 1996. She is passionate about quality occupational health care, education, and people. She currently lives in KZN and manages OH teams in KwaZulu-Natal, and Mpumalanga in the Forestry sector.

## **Alistair Chadwick**

Alistair Chadwick is a Counselling Psychologist. He has master's degrees in Environmental Science, Adult Education and Counselling Psychology, and has been in private practice in Howick for almost 15 years. He founded the Midlands Assessment and Therapy Centre (MATC) almost 10 years ago. He offers therapy to both adults and adolescents as well as assessments of children and teenagers.

Alistair's professional areas of interest and expertise lie in the fields of stress and burnout, Anxiety-related disorders, Depression and the role of trauma and systemic inflammation in mental health challenges. He has a particular interest in childhood/developmental trauma and the profound impact that this has on an individual throughout the course of their life

Alistair has 2 boys – Willow 14, Rowan 13, and lives in Howick.

## **Dr. Do Vale**

Dr. Do Vale was born and bred in Camperdown. He attended Maritzburg College and went onto Wits University where he studied and attained his medical degree.

In 1995 he joined Dr. Erasmus in private practice and has been there for the last 27 years.

He is primarily a family practitioner with an interest in Occupational Health and HIV.

He has a Diploma in HIV management and a Diploma in Occupational Health. He has served the local business community and has experience in a number of different industries, these range from food to chemical.

At present he has a close working relation with Occusure and signs off on many of there medicals.
